

# TEN ON TUES

## FLAG ACTIVITY

Litter is everywhere, and when it doesn't make it into the right bin it can end up in our waterways like streams, rivers and lakes. We need help making sure this litter gets picked up, so the Reverse Litter team came up with an idea called Ten on Tuesday.

When someone makes the Ten on Tuesday pledge, they promise to pick up 10 pieces of trash every Tuesday. This helps our water stay clean and keeps our communities looking nice. Making the pledge on [ReverseLitter.com](http://ReverseLitter.com) is easy and your teacher can help!

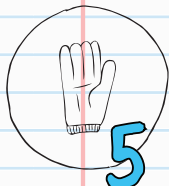

GATHER YOUR WHOLE CLASS OUTSIDE ON THE PLAYGROUND OR A GRASSY AREA

GET A FLAG FROM YOUR TEACHER

GO PLANT A FLAG IN THE GROUND WHERE YOU SEE A PIECE OF TRASH

NOW WALK BACK TO WHERE YOUR CLASS STARTED TO SEE ALL OF THE FLAGS

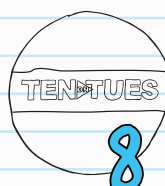

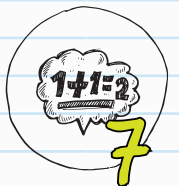

PUT ON YOUR GLOVES AND GO GRAB YOUR PIECE OF TRASH AND YOUR FLAG

TAKE A LOOK AT YOUR PIECE OF TRASH TO SEE IF IT'S JUST LITTER OR IF IT'S RECYCLABLE

COUNT HOW MANY PIECES YOUR CLASS PICKED UP AND PUT THE PIECES IN THE RIGHT TRASH BAG

GO INSIDE AND TAKE THE TEN ON TUESDAY PLEDGE AS A CLASS ([REVERSELITTER.COM](http://REVERSELITTER.COM))

START DOING TEN ON TUESDAY EVERY TUESDAY TO KEEP YOUR SCHOOL AND COMMUNITY CLEAN

HIGH FIVE EACH OTHER BECAUSE YOU'RE MAKING A DIFFERENCE
